

MOTION BY SUPERVISOR MICHAEL D. ANTONOVICH

AUGUST 25, 2009

**RELATED TO ITEM #7**

The San Francisquito Canyon Community Standards District will maintain the area’s unique quality of life and allow for reasonable development compatible with a rural, equestrian-oriented community. Local residents support the proposed CSD, evidenced by substantial public support at community meetings and the Regional Planning Commission public hearing.

I, THEREFORE, MOVE that the Board of Supervisors:

- Close the public hearing;
- Adopt the Negative Declaration;
- Signify the Board's intent to amend the County Code to establish the San Francisquito Canyon Community Standards District, as reflected in the draft ordinance recommended by the Regional Planning Commission; and
- Direct County Counsel to prepare the ordinance for adoption at a future meeting of the Board of Supervisors.
